FROM THE EDUCATION TEAM

Listening Prayer Study

- It is natural for us to call on God in prayer for what we want. But too often we forget prayer is designed for communication with God and therefore includes listening. While learning to listen in prayer is a challenge many face, there are a number of ways we can learn to hear God through prayer. This upcoming 6 week study will offer suggestions and applications to help deepen your prayer life. There is more information and a sign-up sheet on the Opportunities Table. This class will run on Wednesday evenings at 7 o'clock from January 27-March 3.
